**ORDER**

The Research Council of the University considered the matter of whether MCA Scholars have to undergo 4 additional courses other than the 5 prescribed for course work. In its 11th meeting, the Board of Governors of the University recommended that instead of 4 additional courses suggested for scholars from relevant MSc disciplines other than from Physics, Chemistry and Mathematics, only 2 courses need to be taken.

Considering the same the Research Council of the University had resolved vide paper read above '*to extend the same in the case of Research Scholars is MCA discipline too undertaking research in Engineering / Technology area*'.

Sanction is therefore accorded implementing the resolution of Research Council.

Orders are issued accordingly.
